

## Service Level Agreement (SLA)

### Saudi Health Council

The Saudi Health Council is committed to meeting the expectations and needs of its beneficiaries through its various electronic services, in accordance with the Terms of Use Agreement, which defines and clarifies the users' roles within the electronic portal and enables them to benefit from the available services. Among these terms and conditions are the following:

- The Saudi Health Council ensures that all electronic services are accessible to all beneficiaries at all times.
- The Council's website is committed to maintaining the confidentiality of beneficiaries' and visitors' information, as stated in the Privacy Policy published on the website.
- The Council is dedicated to receiving complaints and inquiries from beneficiaries through the available communication and complaints channels provided on the website.
- The Council, through its technical support team, is committed to resolving any technical or administrative issues that may arise during the use of its electronic services.
- The Council ensures that the loading time for all website pages does not exceed 5 seconds at maximum.
- The Council's technical specialists conduct regular tests to ensure the availability of all interfaces and to minimize downtime as much as possible.
- The Council is committed to continuously updating its electronic services in line with beneficiaries' needs, based on user satisfaction surveys and feedback submitted through various channels.
- The beneficiary is responsible for notifying the Council in case of any irregularities, errors, or technical problems encountered while browsing the website or using any of its electronic services.

- The presence of the beneficiary on the website constitutes an implicit and binding acceptance of the Terms of Service and the overall Website Usage Policy.
- Visitors and beneficiaries are strictly prohibited from any attempts at tampering, sabotage, or carrying out any unlawful or unauthorized actions.
